

APRIL 2010 EXAM ADMINISTRATION

Following are those that passed the NCEES Fundamentals of Surveying, NCEES Principles & Practice of Surveying and the Arkansas 2-Hour Specific Examination administered April 16 & 17, 2010. Those passing the NCEES exams are reported by exam ID number and by a unique identifier consisting of the first 4 letters of the last name followed by the first letter of the first name. For example, John Smith would be SMITJ. Results for those passing the 2-hour exam are posted by exam ID and last name.

Letters to each passing and failing examinee will soon be mailed. Diagnostic reports for those not passing the NCEES examinations will accompany the letters and pockets cards will accompany the letters for those achieving licensure. Instructions will also be sent to those eligible to take exams again or that will require reapplication.
